

Working to a tight 6 week programme Genco completed a full toilet refurbishment on this Primary School. Our highly experienced and professional team completed the project on time and to a high standard.

The specification for this project required us to Supply and install:

- 7no new cubicles from the 'Toodle Loos Kaleidoscope' range.
- 1no vanity unit with upstand to incorporate 3no basins from the 'Toodle-Loos' range including percussion taps to the basins.
- White tiling above the vanity unit.
- 7no toilet pans and cisterns.
- 1no towel dispenser.
- 3no 1Litre Soap Dispenser.
- 7no jumbo toilet roll holder.
- 3no mirrors which were fitted above the basins.

Genco provided chlorination of the new and existing pipework plus commissioning of the water outlets in line with the ACOP L8 Guidelines.

We also carried out decorations to the walls, ceilings and woodwork. The surfaces were prepared and painted with two full coats of Dulux Diamond Eggshell.

Finally we supplied and installed new Polysafe vinyl flooring including upstands.

Location	Tower Hamlets, London
Year	2014
Program	6 weeks
Value	95,000
